EDUCATION & PUBLIC HEALTH DEPARTMENT.

G.O.Ms.No.2323.P.H. Dated 28th June 1949.

Read: G.O.Ms.No.3640 Public Health dated 19th December 1946.
From the Surgeon General, R.No.22334.M, dated 10th June 1949.

ORDER:

In the G.O. cited, the Government accepted the recommendations of the Committee constituted by the Surgeon-General in regard to the dress to be worn by the students of the Medical Colleges in the Presidency. The Government now consider that Medical Officers, House Surgeons as well as medical students may all wear a dress consisting of pyjamas or ~~xxxxxx~~ trousers and bush coats, preferably with full arm, as such a dress will be simple, more economical and suitable to the climate of the province than the wearing of full suit with collars and ties. This dress need not, however, be made compulsory at present; nor need the use of collars and ties be prohibited. But, the dress now suggested may be recommended to the medical officers, house surgeons and medical students as a suitable uniform. The Surgeon-General is requested to issue suitable instructions to the Principals of Medical Colleges and heads of all medical institutions and also to issue necessary amendments to the rules in the calendars of the medical colleges.

BY ORDER OF HIS EXCELLENCY THE GOVERNOR.
